

A PREVIEW OF THE MUSICAL INSTRUMENT MUSEUM AT THE HERBERGER

A special presentation by the Herberger Theater Center's Arts Education and Outreach Department.

Join Dr. Claude Guldner for an overview of MIM. This unique global museum is home to more than 15,000 instruments and fascinating cultural treasures from every country in the world. State-of-the-art audio and video recordings allow you to hear and see the creative spirit of people from

around the globe playing their native instruments in their cultural context. You will be entertained, engaged, and enthralled by MIM, the most extraordinary museum you'll ever hear.

Presented by Claude Guldner, Ph.D.

Claude Guldner, Ph.D. was trained as a clinical psychologist and later as a marriage and family therapist. He is Professor Emeritus at the University of Guelph in Guelph, Ontario, Canada where he taught for 25 years. There he was Director of the Graduate program in Marriage and Family Therapy and in charge of Clinical Services. He has conducted workshops and seminars throughout the world. He is a former musician and collector of ethnic and ancient musical instruments. He is currently a volunteer docent for The Musical Instrument Museum.
