### Selection Process

Guest Curator is Sandra Neumann Wilderman. Work is selected using a blind jurying process; jury will consist of artists from various disciplines. Submitted art will be judged by its aesthetic, stylistic, and/or technical presentation.

### Exhibit Theme

#### Contemporary Still Life October 5 - December 2, 2018

Traditionally, a still life includes inanimate objects, such as fruit, bottles and/or flowers that have some kind of association with each other and are selected and arranged by the Artist.

This exhibit will feature still lifes with objects that may be unrelated, may create a narrative, may be uniquely arranged, may be symbolic, realistic, living or imaginary. In other words, this is not your grandparents still life.
